

Join us for a community open house on **Thursday June 5, 2025**, at the **Tara Community Centre** (150 Hamilton Street, Tara, ON N0H 2N0), between **12:00 p.m. – 2:00 p.m.** or **6:00 p.m. – 8:00 p.m.** Meet the project team and learn more about the Tara BESS project design, environmental assessment, safety, permitting, and community benefits. Please note that both sessions are drop-in format – there is no presentation. Feedback collected during the open house will be included in a public consultation record that will form part of Neoen's development applications.

Project Location and Layout

TARA BESS PROPOSED LAYOUT

1. Primary Entrance
2. Secondary Entrance
3. Battery Containers w/ Acoustic Barrier Walls
4. Operations & Maintenance Buildings
5. Stormwater Management Pond
6. Drainage
7. 230 kV Substation
8. 230 kV Transmission Line and Structures

Note: the 8-metre acoustic barrier wall previously shown along the north side of the facility is no longer proposed.

About the Project

Tara BESS, formerly Grey Owl Storage, is a 400-megawatt (MW), 1600-megawatt hour (MWh) capacity standalone battery energy storage system (BESS) proposed for development on 39 Concession Road 4 in the Municipality of Arran-Elderslie, approximately 5-kilometres southeast of the Village of Tara. The project was awarded a 20-year contract by Ontario's Independent Electricity System Operator (IESO) in the LT1 RFP procurement. Tara BESS is one of ten energy storage projects awarded a contract in the LT1 procurement to help meet Ontario's growing electricity needs. Tara BESS is proposed to store and discharge electricity directly to Ontario's power grid. Neoen Ontario BESS 1 Inc. (Neoen) is leading development of Tara BESS.

About Neoen

Neoen is a leading independent power producer of exclusively renewable energy technologies, including solar and onshore wind power, and energy storage solutions. Neoen has a global portfolio capacity of 8.9-gigawatts (GW) in operation or under construction across 14 countries, including 18 battery projects totalling more than 2 GW of capacity. To learn more about Neoen, visit www.neoen.com.

Share Your Feedback*

To share your feedback, ask questions, schedule a meeting, or to subscribe to the Tara BESS e-mail list, please contact us:
